Sir , despite last few months of continuous following up of my application request seeking a permanent job on compassionate grounds , I have not been rendered it , which is causing grave difficulties in my and my children lives .

Sir , we are in a seriously problematic situation , my children are not able to apply for exams , I am not able to pay for groceries, bills, EMIs and other day to day expenses due to financial crisis.

My request through this RTI is that please ,
Provide me with a

1) detailed procedure , for getting a permanent job on Compassionate grounds at air India .

2) why am I still not given a permanent appointment on compassionate grounds(which is vital for me and my childrens vry survival) , despite all my repeated requests.

3) how long does it usually takes for Air India to appoint a grieved family member for a permanent job on Compassionate grounds .

that the above information sought by me is not personal but a matter of public concern , As such a scheme of compassionate appointment is not exclusively for me but any of the employees family can get in the need of it at anytime and hence the above questions are not of personal nature but a public concern .
