Tender No: AIESL/TRV-MRO/MMD/04-174/2

Subject: Supply of Nitrogen gas for AIESL MRO TRV and COK, CCJ, CNN Airport line stations

Dear Sir/Madam,

AI Engineering Services Ltd (**AIESL**) Invites Bids from eligible vendors to subject item for a period of THREE (03) years on same rates, terms and conditions as per the Specifications, Delivery and other Terms and Conditions on mutual consent given in this Tender.

Last date and time for submission of Tender: refer GEM

For any clarification, please contact Mr. Sirajudheen T.M (Executive-MM) / sirajudheen.tm@aiesl.in ; mmd.trv@aiesl.in / Tel: **7593844826**.

NOTICE INVITING TENDER (NIT)

Sl. No.	Particulars	Details
01	Name of Work	**Supply of Nitrogen gas for AIESL MRO TRV & COK, CCJ, CNN, line stations.**
02	Availability of Bidding Document	www.aiesl.in , GeM portal
03	Time & date of pre-bid conference	**Refer Gem portal**
04	Last date and time for bid submission	**Refer Gem portal**
06	Place of submission of bid	**Refer Gem portal**
07	Date and Time of Technical Bid Opening	**Refer Gem portal**
08	Date and Time of Price Bid Opening	**Refer Gem portal**
09	Validity of Bid	120 days from the closing date of Bid
10	Earnest Money Deposit	**Rs 91,380/-**
11	Officer to be contacted for any clarifications	sirajudheen.tm@aiesl.in , mmd.trv@aiesl.in

1. SUBMISSION OF BIDS

The Bidders should submit their Bids in a Single stage two bid format

a. Technical Bid

The bids shall be submitted through the GeM Portal only in the format prescribed in GeM. Physical submission, courier submission, email submission or fax submission of bids will not be accepted.

Technical bid shall be evaluated for establishing eligibility of the bidder as well as techno-commercially responsiveness as per Bid conditions. **No "Price Bid" related information shall be mentioned in the technical bid.**

All pages of the tender document and documents submitted with the Technical Bid must be duly signed and stamped by the authorized signatory of the bidder. Unsigned or unstamped documents are liable to be treated as non-responsive, and the bid may be rejected without further evaluation."

EARNEST MONEY DEPOSIT (EMD):

- Non-Compliance on EMD terms will lead to disqualification.
- An Earnest Money Deposit of Rs. 91,380/- must be submitted through the payment gateway available on our AIESL portal. https://forms.eduqfix.com/aiengineering/add and payment details shall be submitted along with the technical bid.
- EMD will not carry any interest.
- If above, bid received without EMD or lesser amount of EMD or received in different mode, will be rejected.
- In case, the selected bidder refuses to accept the LOA/Contract OR fails to abide by any terms of the Tender/fails to commence the work within stipulated time, EMD shall be forfeited.
- In the case of unsuccessful bidders, EMD shall be refunded without interest, within a reasonable time (30 Days) after finalization of the Tender (L-1 Party).

EXEMPTION FROM EMD

i. As per Govt of India Gazette Notification No. 5031, dated 26.3.2012, MSME's registered with District Industries Centres / KVIC's/ KVIB's/ Coir Board/ NSIC/Directorate of Handicrafts and Handloom or any other body specified by Micro, Small Enterprises (MSE), are exempted from payment of EMD. Valid certificate of registration with as above, must be provided by the bidder(s) seeking exemption of EMD. Public Sector units/Central/State Govt. undertakings/units registered with central purchase organization (eg. DGS&D) will be exempted from submission of EMD. Certificate is to be attached with technical bid as proof of exemption.

ii. Bidder must be registered with the same services in MSE to claim the exemption.

b. Price Bid

a) Price Bid must be submitted through the GeM Portal only.
b) The price bid should remain valid for acceptance for a minimum period of 120 days from the closing date of Bids. However, the validity of the bid must be extended as required, upon request from AIESL to enable completion of the evaluation of the bids and finalization of the successful Bidder.
c) AIESL reserves the right to accept/reject any/all bids. Further, incomplete bids are also liable to be rejected.

d) Tenderer's queries, if any, may be addressed to the officials of AIESL by e-mail sirajudheen.tm@aiesl.in , mmd.trv@aiesl.in
e) AIESL reserves the right to award the contract(s) to one or more bidders.
f) All bids must be submitted through GeM Portal only.
g) AIESL has the right to amend and/or re-issue the Tender document without the applicant(s)/bidders having any right to object to such reissue.

2. GENERAL TERMS & CONDITIONS

1. ''AIESL" as used in the Tender document means 'AI Engineering Services Limited'.
2. The "Bidder, Party, Prospective bidder, vendor, as used in the Tender document, shall mean the company/firm/business entity submitting the quotation in response to AIESL tender notice.
3. The "Successful Bidder" as used in the Tender document, shall mean the company, firm and business entity on whom the Contract order is released by AIESL.
4. The Tender shall mean the present tender issued by AIESL.
5. The vendor **shall not transfer in whole (or) any part of the PO to another** once the PO is awarded. If the ownership of the bidder is changed or modified, in any manner or degree, directly or indirectly, to another, the responsibilities would then be on /with the new owner of the company.

6. Exit and Termination Clauses of the Contract:

   a) AIESL is not committed to uplift the entire quantity ordered for.
   b) **If it is found that the contract order is transferred to some other agency** then the PO will be cancelled, without any liability on AIESL, apart from imposing penalty as deemed fit and necessary.
   c) **In case of unsatisfactory performance or breach of any clauses of the contract order**, AIESL would issue a **notice of up-to 30 days to the party to rectify the problem / breach and improve the performance. If the required corrective action is not taken, then** AIESL shall be at liberty to cancel the **contract order** by providing **another 30 days written notice**.
   d) **Both AIESL and the Contractor** shall be at **liberty to terminate this contract by providing to 90 days written notice to the other party** for any reason including change in situation/circumstances, etc. In such an event, the terminated party shall have no right to claim compensation/damages, etc. from the terminating party on account of early termination. However, both the parties shall duly comply with their

respective obligations during the **90 Days notice period** and thereafter, shall discharge the obligations arising out of the PO till the termination.

e) AIESL reserves the right to terminate / cancel the order partially or fully without notice in case of **major violations of the terms of the contract by way of criminal actions, fraud, misbehaviours, serious thefts, security** related issues etc.,

3. GROUNDS FOR REJECTION OF BIDS:

a) Technical and Price bids should be submitted simultaneously.

b) The Bid shall stand rejected if the Bidder submits an incomplete Bid, i.e., where only the Technical or only the Price Bid is received.

c) The Technical Bid should not contain any indication of the price related to the Price Bid. In case an indication of such price quoted is included in the Technical Bid, the Bid will be rejected without any reference to the Bidder. No correspondence will be entertained in this regard.

d) The bids are liable to be rejected forthwith, i.e., without being evaluated, on the following grounds:

i. If the Tender has not been signed by the authorized signatory of the Bidder. (Signed by any key managerial personnel or an officer of the company duly authorized by the Director/Partner/Proprietor in this behalf).

ii. If the bidder's response is not received in required format as mentioned in the tender document.

iii. If the information given in response to the bid to the Tender is incomplete, ambiguous, without requisite supporting documents, unverified, unattested, and/or submission of illegible copies or unexplained materials and/or bids not received as per the desired formats & bidding instructions.

iv. If the price bid indication has been provided in the technical bid.

v. If the bid is not presented neatly and corrections if any are not duly authenticated with full authorized signatures of the person who has signed the bid document. (Signed by any key managerial personnel or an officer of the company duly authorized by the Director/Partner/Proprietor in this behalf).

vi. If the bid has been received without the undertaking of acceptance of all terms & conditions

vii. If the bid (technical/price) is incomplete.

viii. The above list is only illustrative and there can be other relevant grounds of rejection of bids.

e) In case of any variation, in the documents/data submitted by the Bidder in support of the Technical Bid and in comparison, with the original documents during technical evaluation, the Bids of such Bidder would be out-rightly rejected/disqualified during technical evaluation of Tender.

f) If the price indicated in the Price Bid is Conditional.

g) In case the Bidder being an MSME unit , fails to submit a copy of the relevant MSME certificate and the required Bid Security Declaration Form along with the technical bid

h) AIESL, in its sole discretion and without incurring any obligation or liability, reserves the right, at any time, to:

i. Suspend and/or cancel the Bidding process and/or amend and/or supplement the Bidding process or modify the dates or other terms and conditions relating thereto.

ii. Consult with any Bidder to receive clarification or further information.
iii. Retain any information and/or evidence submitted to the AIESL by, on behalf of, and/ or concerning any Bidder; and/ or

iv. Independently verify, disqualify, reject, and/or accept all submissions or other information and/ or evidence submitted by or on behalf of any Bidder.
It shall be deemed that by submitting the Bid, the Bidder agrees and releases the AIESL, its employees, agents, and advisers, from any and all liability for claims, losses, damages, costs, expenses, or liabilities in any way related to or arising from the exercise of any rights and/ or performance of any obligations hereunder, pursuant hereto and/ or in connection with the Bidding process and waives, to the fullest extent permitted by applicable laws, any and all rights and/ or claims it may have in bid, whether actual or contingent, whether present or in future.

4. ERRANT BIDDERS:

In case the L1 vendor is not awarded the PO due to any mistake committed by them in their bid or withdrawal of bid or varying any term thereof, also noncompliance of the terms and conditions of the this tender leading to re-tendering or cancellation or termination, such bidder shall be debarred from participation in the next tender. In such cases, AIESL also reserves the right to debar such vendor for a period one year to three years as deemed fit necessary. Also, EMD / SD will be forfeited in such cases.

5. PAYMENT TERMS:

Payment shall be released within 60 days after acceptance of the supply and submission of invoice subject to statutory deductions if any.

6. FALL CLAUSE:

Passing on Benefits: The successful vendor shall pass on to AIESL the full benefit of any reduction/ exemption or concession in applicable Government taxes, duties, levies, cess or other statutory charges, or for any other reason. Such benefits shall be duly adjusted in the contract price, and the corresponding reduction shall be passed on to AIESL.

7. OPTION CLAUSE:

a) The requirement for nitrogen supply indicated in the tender is **based on anticipated estimates**. However, the actual quantity may **increase or decrease** depending on operational/customer requirements during the contract period.
b) The bidder shall be bound to supply the required quantities (as may vary) at the **same quoted rates**, and **no price variation/escalation** shall be permitted on account of such quantity variation.
c) The quoted rates shall remain **firm and fixed** for the entire contract period, irrespective of variation in quantity or frequency of supply.

8. PENALTY CLAUSE:

In case of non-compliance of laid down terms & conditions, the following penalty will be imposed on their bill as deemed fit and necessary by AIESL.

a) Supplies not meeting the technical specification/parameter, quality and or deficient in any other respect would be liable for rejection at the time of inspection and returned to the vendor at their cost.

b) If non-compliances to the Specifications are observed after acceptance of supply, then vendor will also have to replace the entire balance lot on free of charges basis. This however, does not prevent AIESL from imposing suitable penalty for the substandard supply.

c) **Penalty for Delayed Deliveries**: You have to adhere to the agreed delivery schedule, in case of delay in delivery; penalty for late delivery will be charged at the rate of one percentage (01%) of nitrogen cost per day per cylinder and it will be deducted from the subsequent invoices. In the event of the continued delayed supply, then AIESL, reserves the right to cancel the Purchase Order, and to take appropriate necessary action in its interests.

d) LD/penalty will be recovered from the invoice of the delivered consignment of the vendor from the amount due to the vendor against any invoice. This will be done after due advance notification to the vendor.

e) At the time of delivery / acceptance of the item / goods if it is found that the items / goods so delivered is not as per the specification given in the Contract/PO then AIESL reserves the right to reject the entire lot and get the entire quantity replaced free of cost by the vendor. The standard penalty for delayed supplies would be applicable from the original delivery schedule.

f) In case of any complaint on the quality issue at the time of use of the item / goods by AIESL or any other stakeholders of AIESL after acceptance of the delivery then depending on the nature and extent of the deficiency, AIESL reserves the right to impose appropriate penalty on the total value of the lot supplied, subject to maximum of 15% on the invoice of the consignment / lot.

g) If no remedial action to the satisfaction of AIESL user department has been taken and complaints continue to persist regarding quality issues then based on the recommendations of the user department, AIESL reserves the rights to cancel the Contract / PO and take appropriate penal action / debar the vendor from participating in the next tender / black list the vendor for 3 years as deemed fit depending on the merit of the case.

9. <u>SPECIFIC TERMS AND CONDITIONS</u>

a) AIESL QC team will be conducting an audit at your premises for inspection and check whether the industrial standard is maintained. Up on successful audit completion only the contract will be awarded. The bid will be rejected, if the bidder failed to comply with the QC audit.

b) Rates will be firm during the validity period of contract - three years.

The successful bidder to make supply within 7 (seven) calendar days of receipt of contract/purchase order and contract/PO has to be confirmed in 7 day after receipt of the same.

c) Supply is subject to our inspection and approval. **Delivery must be made within 7 (seven) calendar days from the receipt of our requirement notification (e mail, telephonic) to the address mentioned above.**

d) Cylinder Holding / Retention Charges:

The supplier shall provide nitrogen cylinders as per the Purchase Order and allow a **free holding/retention period of up to 60 days** from the date of delivery at the consignee's location. No rental, demurrage, or holding charges shall be applicable during this 60-day period. Beyond 60 days rental charges per cylinder per day shall be provided along with financial bid.

10. AWARD OF CONTRACT: METHOD OF DETERMINATION / ARRIVING AT L1 VENDOR:

L1 Least cost selection, ***Evaluated Three-Year Contract Value = (Estimated three-year quantity of Nitrogen in CUM × quoted nitrogen charge per CUM including tax) + (Estimated number of delivery trips over three years × quoted transportation charge per trip including tax)***

L1 = Bidder having the lowest total evaluated three-year cost for all locations combined

The contract will be awarded only after the successful completion of the audit conducted by the AIESL Quality Department

1) **<u>Price Preference</u>**:

MSME/SSI units registered with the NSIC under their Single Point Registration Scheme as per the guidelines issued by the Government of India/ District Industries Centre/ Udyog Aadhar Memorandum (UAM)/ Any other body specified by the Ministry of MSME, for the tendered Services are entitled to price preference up to 15% over the offer of large-scale Subject to the SSI/MSME agreeing to match their rates to the Lowest/L1 rates received from the large-scale sector.

2) **<u>Security Deposit</u>**

Not applicable to this tender.

3) <u>Negotiation:</u>

As a general norm price negotiation will not be carried out with the bidder. Negotiations, if at all, shall be an exception and may be held only with the overall L1 vendor and/or the MSE vendor who fall within the price preference limit only.

4) Additional Conditions:

a) Force Majeure: A party shall not be liable for any failure of or delay in the performance of this agreement for the period that such failure or delay is due to causes beyond its reasonable control, including but not limited to acts of God, War, pandemic, Strikes or Labor Disputes, Embargoes, Govt. Orders or any Force Majeure event.

b) Arbitration: Any dispute arising between the parties in respect of the construction, interpretation, application, meaning, scope, operation or effect of this document or the validity or breach thereof, shall first be settled by mutual consultation. If the dispute remains unresolved after a period of 90 days from the date when the mutual consultation has started, the matter shall be referred for settlement to 'SCOPE FORUM OF CONCILIATION AND ARBITRATION', Govt. of India, and the award made in pursuance thereof shall be binding on the parties.

c) Jurisdiction: Any dispute whatsoever shall be subject to the jurisdiction of the courts of Delhi only.

d) Novation: AIESL reserves the right to "NOVATE" this contract to AAAL/ AIASL/AIAHL or any other subsidiaries at same rates, terms and conditions and the same shall be binding upon the service provider. In the event of any merger or acquisition of AIESL or AIESL transferred its activity to another undertaking, the contract on approval from the appropriate authority of the new entity shall continue in the name of such new entity / successor entity with the same rates, terms and conditions.

11. EXTENSION OF TENDER DUE DATE:

Due date of the tender may be extended, at the sole discretion of AIESL, at any time during the tendering process, including after the closing date of the tender and before opening of the bids.

12. VALIDITY OF BIDS:

1. The Bid should be valid for a period of 120 days from the closing date of the Bid.
2. Price offered should remain firm till completion of contract period. Request for change in price will be entertained during the validity period only on account of changes in govt. /statutory levies like GST or other taxes etc. if imposed by the Govt. of India / State Govt. / Local Bodies. However, such request will be considered only on submission of valid documents.
3. Also, any reduction in GST and/or any other Statutory levies etc., of the Govt. of India / State Govt./ Local Bodies etc., should be passed on to AIESL, otherwise the same shall be adjusted/deducted from their bills with due notification.

13. SCOPE OF WORK:

The selected supplier will be responsible for the supply, testing, delivery, and ongoing management (cylinder rotation/maintenance) of aviation-grade nitrogen gas to the designated locations at the airports listed in Section
The scope includes, but is not limited to:

- Supplying nitrogen gas meeting the specified purity standards.
- Providing gas in the required containers (high-pressure cylinders)
- Scheduled and emergency delivery services to all specified airport locations.
- Ensuring all equipment, including cylinders and transportation, complies with all relevant aviation, safety, and transportation regulations.

1. Supply Locations and Estimated Annual Requirement

Bidders must quote for **all locations** specified below. Partial quoting for selected locations will lead to rejection of the bid as per AIESL discretion. The requirement for nitrogen supply indicated in the tender is **based on anticipated estimates**. However, the actual quantity may **increase or decrease** depending on operational/customer requirements during the contract period.

The bidder shall be bound to supply the required quantities (as may vary) at the **same quoted rates**, and **no price variation/escalation** shall be permitted on account of such quantity variation.

The quoted rates shall remain **firm and fixed** for the entire contract period, irrespective of variation in quantity or frequency of supply.

Three Years Requirement

Airport Code	Airport Name	Estimated N2 Requirement in cum for three years	Requirement of cylinders (7cum capacity) for three years period	Estimated Trips for three years	Delivery Point
CCJ	CALICUT	2016	288	36	AIESL, CCJ AIRPORT
COK	COCHIN	2016	288	36	AIESL, COK AIRPORT
CNN	KANNUR	1260	180	36	AIESL, CNN AIRPORT
TRV	TRIVANDRUM	3780	540	48	AIESL, TRV AIRPORT
TRV	TRIVANDRUM	10080	1440	108	AIESL MRO COMPLEX
Approx. Total Nitrogen requirement for a period of three years for all stations		**19152**	**2736**		

2. Nitrogen Gas Specifications

The supplied nitrogen gas must meet the highest industry standards for aviation use.

- Purity: 99.5% (MIL-PRF-27401 TYPE I GRADE A)
- Supply Pressure: 1800 to 2000 psi
- Certification: Each batch/delivery must be accompanied by a Certificate of Conformance (CoC) or Certificate of Analysis (CoA) confirming the purity and specifications.

3. Technical and Commercial Requirements

Technical Requirements

- Container Type: High-Pressure Cylinders of minimum of 7 cum capacity
- Cylinder Testing: Hydrostatic Testing Details

Commercial Requirements

- GeM Pricing shall be submitted as per the format attached in GeM inclusive of all charges (gas, cylinder rental/lease, handling, and taxes/fees).
- Delivery Charges to each station shall be provided as per price bid format
- Contract Term: The contract duration will be for period of THREE years

4 General conditions

- Supplied cylinders must be in good, corrosion-free condition, with proper regulatory markings and painting, and fitted with safety caps, in accordance with applicable regulatory and safety standards
- The Hydrostatic Test (HST) due date must be clearly visible and within the valid certification period. No cylinder with expired/invalid hydrostatic test certification shall be delivered to AIESL premises. AIESL shall have the right to refuse receipt of any such cylinder.

Submission Instructions

Bids must be submitted in two separate parts:

Part 1: Technical Proposal

- Company Profile, including experience & ISO certification
- Detailed confirmation of compliance as per annexure -I
- A plan detailing delivery logistics, safety protocols, and emergency response

.

Part 2: Commercial Proposal (Price Quote)

- The completed Pricing Sheet with firm, fixed prices
- AIESL reserves the right to increase/decrease the qty at the same rate, terms and conditions of the tender/contract/PO. Bidders should take above points in to considerations before / while submitting their bid.
- The rates quoted shall be as applicable to Govt. Institutions/CPSUs.

Annexure-I
TECHNICAL BID & PRE-QUALIFICATION CRITERIA

Sl.	Criteria	Provide Information	Complied Yes / No
1	Your Firm / Company / Undertaking etc., must be legally Registered with currently Valid Certificate for manufacturing the Tendered or related / similar line of item. Attach self-attested copy of the document:	Mfg. License / Factory License etc., / Reg No:	
2	Address of the Mfg. Plant / production / Regd. Office Submit copy of the documents:		
3	EMD details: Transaction details or valid MSE certificates in case of EMD exempted.		
4	Must possess PAN Registration- Attach Copy		
5	Must be Registered under GST – Mention the GST No. & Submit copy of GST No. Registration		
6	Agreeing to Indemnify AIESL as given in the Tender.		
7	Copy of the audited Balance Sheet and Profit & Loss account certified by a Chartered Accountant to be submitted 2022-23, 2023-24, 2024-25 financial years		
8	Average Annual financial turnover of the bidder during the last three years, ending 31st March 2025, should be at least Rs. 14,00,000/- (fourteen lakh).		
9	The bidder must have at least three years' experience by March 2026 of providing Nitrogen supply services to Central/State Government/PSUs/ Reputed Organisations. Services rendered with list of such Central/State/ PSUs etc with duration of service shall be furnished.		
10	Not Blacklisted / Debarred As on date of submission of the tender, your company Should Not have been blacklisted / debarred by any Govt. /Govt. agency / AIESL or their sister / subsidiary companies from participating in new tenders.	YES / NO	
11	Has any Director/ Partner / Proprietor been convicted. Providing wilful wrong information and Failure to provide details would lead to rejection of Bid.	YES / NO : If Yes, then provide details.	
12	The bidder should have valid ISO certification	Attach the certificates	

14	Whether any contract /LOI issued by AIESL / Group Companies to the Bidder was terminated / rescinded due non-compliance of Terms & Conditions of the Tender/ non-compliance of the provision of Statutory Labour laws/ Criminal Offences in the past 3 Years. Providing wilful wrong information and Failure to provide details would lead to rejection of Bid.	If Yes, then provide details.	
15	Name a few Govt./PSU/ Reputed Companies for whom you have supplied Tendered or similar line of item - Provide details. Provide details of single largest value of order for the tendered or related / similar items during the last two years		
16	Agreeing for Payment Terms of 60 Days.		
17	Agreeing to comply with other terms and conditions of the Tender.		
18	Agreeing to the Cylinder retention period of 60 days on free of cost		
19	All pages of the tender document and documents submitted with the Technical Bid must be duly signed and stamped by the authorized signatory of the bidder.		
20	Agreeing to the Delivery period of 7 calendar days from the receipt of our requirement notification		
21	The bidder shall ensure that all cylinders supplied, filled, transported and handled under the contract comply with all applicable statutory and regulatory requirements & other applicable laws/regulations in force during the contract period.	Submit the undertaking	

Bidder's Undertaking:

1) I have carefully gone through and have understood and hereby agree to abide by all the Terms & Conditions, Technical Specifications, Legal requirements etc., governing the tender.

2) I hereby confirm that I am authorized to sign the tender document and the information given in the tender is true and correct to the best of my knowledge and belief and nothing material is concealed.
