DISCLAIMER

While the document has been prepared in good faith, no representation , express or implied, is or will be made, or no responsibility or liability will be accepted by AI Engineering Services Ltd. (AIESL) or any of its employees, in relation to the accuracy or completeness of this document and any liability thereof expressly disclaimed. The RFP (Request for Proposal) is not an offer by AI Engineering Services Ltd., but an invitation. No contractual obligation on behalf of AI Engineering Services Ltd., whatsoever, shall arise from the offer process unless and until a formal contract is signed and executed by duly authorized officers of AI Engineering Services Ltd. and the Bidder.

The information is provided on the terms and conditions set out in this Tender.

This Tender is not an agreement and is neither an offer nor invitation by AI Engineering Services Ltd. to the prospective bidder(s) or any other person. The purpose of this Tender is to provide interested parties with information that may be useful to them in making their technical and commercial offers pursuant to this Tender.

AI Engineering Services Ltd. to make no representation or warranty and shall have no liability to any person or bidder under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this Tender or otherwise, including the accuracy, adequacy, correctness, completeness or reliability of the Tender and any assessment, assumption, statement or information contained therein or deemed to form part of this Tender or arising in any way in the tender process.

AI Engineering Services Ltd. also accepts no liability of any nature whether resulting from negligence or otherwise howsoever caused arising from reliance of any or bidder upon the statements contained in this Tender.

Any information/documents including information/documents pertaining to this Tender or subsequently provided to bidder(s) and/or successful bidder and information/ documents relating to the bidding process; the disclosure of which is prejudicial and/or detrimental to, or endangers, the implementation is not subject to disclosure as public information/ documents.

No contractual obligation on behalf of AI Engineering Services Ltd., whatsoever, shall arise from the offer process unless and until a formal contract is signed and executed by duly authorized officers of AI Engineering Services Ltd. and the Bidder.

INTRODUCTION

AI Engineering Services Ltd. has been incorporated under the Indian Companies Act 1956. AI Engineering Services Ltd. is an Aviation MRO and fully owned Company of Government of India which provides maintenance, repair and related support for fleets of aircraft of Govt. organizations as well as commercial domestic and international airlines.

This tender document is issued to invite proposals from reputed Successful bidders with credible experience in Supply and Installation of Air Circuit Breakers in at least 33 KV or above Substation of State/Central Government department, State/Central Govt. PSUs, hospitality industry or large public organizations in conformance of specifications given in the tender documents and distribute the same at various locations in India as per requirement and schedule.

General Terms & Conditions:

Quotations in two bid format are invited on GEM for Supply, Installation, Testing and Commissioning of two Air Circuit Breakers (ACBs) at 33kV Substation in Avionics Complex – AIESL, New Delhi.

1. Bidder's are requested to submit your lowest quotations as applicable to Government Department/Public Sector Undertaking & Government Hospitals/Institutions and also advise MRP.
2. Duly filled quotations should be submitted on GEM within the stipulated time.
3. Rates shall be quoted as per **Commercial Bid format. (Annexure 4).**
4. The Tenderer shall ensure that no damage is caused to AIESL property/ or any decorative structure/ fittings, while carrying out the work. The Tenderer will have to rectify/ make good such damages at their cost.
5. Successful bidder has to arrange protective equipment at its own cost.
6. Purchase order will be placed on lowest quote basis.
7. Payment Terms: Payment within 30 Days credit after successful completion of work. In case Successful bidder's payment differs from AIESL Payment terms, a Bank Guarantee of Equivalent advance amount shall be furnished by the Successful bidder in the prescribed format.
8. The Bank account details of AI Engineering Services Limited are given below: all tender related financial instruments (DD, Banker cheque etc.) are to be made

Branch Address:	New Delhi
Account Holder's Name:	AI Engineering Services Limited
Current A/C Number:	50200107884866
IFSC Code:	HDFC0001897
Transection ID no.:

In favour of "AI Engineering Services Limited" payable at Delhi.

For online payment link is given below:

<https://forms.eduqfix.com/aiengineering/add?formType=8489935188309188>

9. Statutory deduction like income tax and other applicable taxes shall be deducted at source from each payment of the Tenderer.
10. Vendor must visit the site on or before the bid submission closing date to physically inspect the site.
11. Vendor must submit the site visit certificate on GEM along with the tender documents. **(Annexure 8)**

VALIDITY: Your rates should be valid for a period of 120 days.

EMD: The tenderer must deposit EMD @ Rs 12,886/- (Twelve Thousand Eight

Hundred & Eighty Six Rupees only) by way of valid DD drawn in favor of the AI Engineering Services Ltd., payable at New Delhi or through online. The bidder must attach proof copy of the submission of EMD with their bid in GeM. Original DD must be sent to the buyer within 5 days of the opening of technical bids.

12. Firms having valid registration with MSE/Startup are eligible for EMD exemption. Copy of Valid MSE/Startup registration certificate must be provided on GEM by the tenderer seeking exemption of EMD. **(Annexure 5)**
13. **Security Deposit:** The successful Bidder (including MSE/Startup bidder) is required to submit the security Deposit equivalent to 5% of the Contract/PO value before commencement of the work. In case, Security Deposit is not deposited in time, the bills shall not be processed for payment.
14. **Liquidated damages:** In case the Successful Bidder fails to deliver/provide the stated material as per schedule, the Successful Bidder shall become liable to pay and shall pay to AIESL by way of penalty 0.5% per week or part thereof of the undelivered portion of the goods or services (excluding taxes and delivery charges) subject to a maximum of 10% of the value of the undelivered or delayed goods. This is to be recovered from the Security Deposit / Performance Guarantee, or from the amount due to the vendor after due notification to the vendor in advance.
15. AIESL further reserves the right to terminate the Contract in the event of continued delay in providing Services and/or not meeting the quality standards as desired by AIESL, and/or any of the reasons as listed herein, and to issue a fresh Contract on any other source at the cost and risk of the Bidder.

16. **Grounds for Rejection of Bids**

1. Vendor must ensure that the price bids and technical bids are submitted separately on GEM. Commercial bids submitted with the technical bids on GEM are liable to be rejected.
2. The Technical Bid should not contain any indication of the price. In case an indication of the price quoted is included in the Technical Bid, the quotation will be rejected without any reference to the Bidder. No correspondence will be entertained in this regard.
3. The bids should be neatly presented. Corrections, if any, should be duly authenticated with full signature of the authorized person who is signing the Tender, failing which the Tender is liable to be rejected.
4. All relevant supporting documents attached with the said bids must be duly signed by the Bidder. In case the bids are not accompanied by any and all supporting documents, the bid shall be liable to be rejected.
5. Bids received without certificate of site visit for assessment of work shall be rejected.
6. The Tender has not been signed by the authorized signatory of the Bidder.
7. If the Bid has been submitted without EMD, it will be liable to be rejected (Only MSE/startup enterprises are exempted).
8. The above list is only illustrative and there can be other relevant grounds of

rejection of bids.

17. The contractor/ successful bidder shall abide by the legal provision with regard to health, welfare and safety of persons engaged by him as per factory act and rules. The contractor/ successful bidder shall also be responsible for medical care of their personnel engaged. Ex-gratia / bonus leave salary, retrenchment benefits etc. under statutory levies shall be paid by the contractor/ successful bidder to their personnel as per bonus act / other rules at his own cost. No extra payments shall be made by AI Engineering Services Limited in this regard.

18. **Purchase Preference to MSEs:**

Public Procurement Policy for MSEs Order, 2018 has been notified under section 11 of MSMED Act, 2006. It refers to the preferential treatment given to MSEs (Micro and Small Enterprises) in the procurement processes of the Government entities.

To avail Purchase Preference, Bidder(s) must adhere to specific eligibility criteria:

- **Goods:** The bidder(s) must be a manufacturer of the offered Goods or Service.
- **Services:** The bidder must be a Service provider of the offered Goods or service.

Service Provider: Bidder(s) or Service provider must be registered with the organization as mentioned in the policy or have an Udyam Registration Certificate. All MSEs must have registration as per provisions of the Policy i.e. registration with District Industries Centre (DIC) or Khadi and Village Industries Commission (KVIC) or Khadi and Industries Board (KVIB) or Coir Board or National Small Industries Commission (NSIC) or directorate of Handicrafts and Handlooms or Udyog Aadhaar Memorandum (UAM) or any other body specified by Ministry of MSME.

MSEs must be registered for the required Services of tender documents (providing supply and Installation/commissioning of ACB) in order to claim the exemption/preference.

The registration certificate issued from any one of the above agencies must be valid as on the close date of the tender. The Successful Bidder shall ensure that the same is valid till the end of the Contract period.

Relaxation on contract value for MSE/ Startup - 50% turnover relaxation (₹1,61,070/-) 2 years' experience, no relaxation in PO values for experience criteria.

Purchase preference shall be given to MSEs as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 (dated 23.03.2012).

Matching L-1 Price:

If the Lowest Bidder (L-1) is not an MSE and in case participating MSEs are quoting price within the price band of L1+15 (fifteen) per cent then these MSEs shall be invited to match the L-1 price. First opportunity shall be given to MSE who is quoting less than other MSEs within the price band of L1+15%. Such MSE who is able to match the L1 price shall be shall be considered for award of entire contract.

19. **Purchase Preference Policy** - Make in India (PPP-MII):

This tender comes under the purview of revised PPP-MII Order issued by Government of India, Dt. 4/6/2020 and subsequent amendments. The subject items fall under divisible category. For procedures with respect to Purchase Preference Policy (Preference to Make in India), please refer guidelines issued under PPP Policy. In order to avail preference, the bidder have to mandatorily submit declaration certificate indicating the extent of Minimum Local Content (MLC) in their product and also location of such value addition.

Purchase preference:

In the procurements, which are divisible in nature, the 'Class-I local supplier' shall get purchase preference over 'Class-II local supplier', as per following procedure:

Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class- I local supplier', the contract for full quantity will be awarded to L1.

20. **Startup:**

Startups in the field of suppling and Installation/commissioning of ACB shall be given relaxation in past experience and annual turnover.

- Relaxation on contract value for MSE/Startup - 50% turnover relaxation (₹1,61,070/-) 2 years' experience, no relaxation in PO values for experience criteria.
- EMD Exempted.

Bidder(s) are advised to refer to the Government of India latest notice and circulars.

Startup bidder must submit a valid DPIIT certificate for availing exemption/ relaxation benefits.

Exemption from submission of Earnest Money Deposit (EMD) – The MSEs registered with above mentioned agencies/bodies are exempted from payment of Earnest Money Deposit (EMD).

The successful Bidder will however be required to submit the Security Deposit equivalent to 5% of the Contract/PO value.

21. Preference will be given to Start-ups as per Govt of India guidelines.

22. The bidder must have an average annual turnover of ₹3,22,140 /- (Three lakhs twenty two thousand one hundred forty only) or above.

23. The contractor/ successful bidder shall be responsible for the compliance of all the rules and regulations of the prevailing MSE acts specified by Ministry of MSE and the changes made from time to time.

24. As per governing guidelines, EMD is exempted for MSE and Startup enterprises.

However, such bidder/s must furnish Bid Security Declaration (**Annexure- 5**)

25. **TERMINATION AND EXIT CLAUSES :-**

The PO / contract should include a termination clause as below:

- a. In case of unsatisfactory performance or breach of any of the clauses of this contract, AIESL would issue a notice of 30 days to the party to rectify the breach and improve the performance failing which AIESL shall be at liberty to terminate this agreement by providing a 30 days written notice to the party. The party shall not have any right to dispute or question the judgment of AIESL of unsatisfactory performance of the party.
- b. Notwithstanding the above, AIESL shall also be at liberty to terminate this agreement for any reason including change in situation/circumstances, etc. by providing to the party a 90 days written notice. The party shall also be at liberty to terminate this contract by providing to AIESL a 90 days written notice. In such an event, the terminated party shall have no right to claim compensation/damages, etc. from the terminating party on account of early termination. However, the party shall duly comply with their respective obligations during the notice period and thereafter, shall discharge the obligations arising out of the agreement till the termination.
- c. Depending on the nature of the item / service, DGM - Engineering and above, in consultation with the user, would be the competent authority to decide the termination / exit period if it varies from the above.

It is the responsibility of the Successful bidder/bidder to ensure that they comply with all the rules and regulations legal /statutory agencies. AI Engineering Services Limited shall be indemnified from any legal action, in case of any violation by the Successful bidder/bidder.

26. In case of any disputes, Decision of Dy.GM (E-PPMM) will be the final and binding.
27. AI Engineering Services limited, reserve the right to cancel the tender without assigning any reason. Dispute resolution and arbitration Any dispute arising between the Bidder/Successful Bidder and AIESL in respect of the construction, interpretation, application, meaning, scope, operation or effect of this document or the validity or breach thereof, shall first be settled by negotiations between the authorized representatives of the Bidder/Successful Bidder and AIESL (Parties). If the dispute remains unresolved after a period of 90 days from the date when the negotiation has started, then the unresolved dispute/difference shall be settled by arbitration in accordance with Arbitration and Conciliation Act, 1996, and the award made in pursuance thereof shall be final and binding on the Parties. The arbitral tribunal shall consist of a sole arbitrator to be mutually appointed by the Parties. The venue of arbitration shall be Delhi and the arbitration proceedings shall be carried out in English. The cost of the arbitration shall be borne by the Parties as per the award of the Sole Arbitrator
28. **Jurisdiction:** The construction, interpretation, validity and performance of this Tender and/or Contract shall be governed by the laws of India. Any dispute whatsoever, arising out of or in connection with the Tender and/or Contract shall be subject to the jurisdiction of the courts of Delhi only, subject to the clause of dispute resolution and arbitration aforesaid.
29. All other terms & conditions mentioned in the AIESL PPMM Manual are applicable to this tender.

SCOPE OF WORK

Supply, Installation, Testing & Commissioning (SITC) of Two Air Circuit Breakers (ACBs) on LT side of 33kV Sub-Station in Avionics complex, New Delhi
ACB Make: L&T /Schneider / Siemens / ABB (OEM Only)

S.No.	Description	Qty.
1.	<p>a) Supply of 1000 Amperes Air Circuit Breaker with cradle/guide frame, 3 pole, EDO Electrically operated Draw out type. Make- L&T/Schneider/ Siemens/ABB.</p> <p>b) Retrofitting 1000 Amperes Air Circuit Breaker with Aluminum bus-bar in place of old existing 800 Amp Air Circuit Breaker</p> <p>c) Installation and Commissioning Charges</p>	2 Nos
2.	Buy back of the old ACB's	2 Nos

1. Removal & Dismantling Work Existing LT ACB of 800 Amp. Make- Crompton Greaves

- a) Safe removal and dismantling of existing ACB of 800 Amp.
- b) Disconnection of LT cables, auxiliary wiring, and control circuits, strictly adhering to site safety protocols
- c) Shifting of dismantled materials to the designated scrap area.
- d) Dismantling of LT Cable terminations from ducts/ trays safely.

2. Supply, Installation, Testing & Commissioning (SITC)

2.1 Supply of Two New Air Circuit Breaker (ACB) on LT side

- a) Supply of OEM made **1000A**, 3 pole, EDO Electrically operated Draw out type ACB with cradle.
- b) Installation, testing, and commissioning shall be carried out in compliance with relevant IS/IEC standards.

2.2 Retrofitting and Panel Modification

- a) Modification of busbars and LT panel Structure.
- b) Fabrication of Busbar extensions, supports and alignment adjustments.

2.3 Installation of ACB

- a) Installation, wiring integration, torque tightening, alignment
- b) Dressing/termination of all control wiring.

3. Testing & Commissioning

- a) IR Test, Contact Resistance Test, Function operation Test.

- b) Primary/Secondary injection testing.
- c) Interlock testing and load trial.
- d) Submission of commissioning report.

4. Site Survey

A mandatory site survey shall be conducted to check panel dimensions, busbar layout, shutdown needs and verify site readiness for installation.

5. Material Handling Equipment

Crane/Hydra/trolley services required for unloading, shifting, and positioning of materials shall be in the vendor's scope.

6. Safety and Site Requirements

All necessary safety measures, PPE, barricading, and site safety protocols shall be ensured by the vendor during execution.

7. Technical Requirement – OEM Credentials

The bidder must be an OEM or an authorised partner of the OEM.
